Dr. Shigeyuki Nagai (Japan) received his DDS from the Osaka Dental University, Japan in 1987 and studied at the Harvard School of Dental Medicine as a Clinical Fellow from 1989-1992. He practiced at the Massachusetts Veterans Administration Medical Center and General Hospital in 1991. He received his PhD from Tokyo Medical and Dental University. Dr. Nagai serves as a Board member of the Japanese Society for Laser Dentistry, Asia and Pacific Division of the WFLD (International Society for Lasers in Dentistry), the Japan Society for Dental Anti-Aging and Vice President of the Japanese Academy of Color for Dentistry. He is a committee member of the Japan Academy of Esthetic Dentistry, Japan Society for Laser Surgery and Medicine and Japan Association of Microscopic Dentistry; President and Chief Instructor for the Japanese Chapter of the Academy of Laser Dentistry. He was awarded the Leon Goldman Award for Clinical Excellence in Laser Dentistry from the Academy of Laser Dentistry in 2010 and the Excellent Presentation Prize of the Japanese Academy of Color for Dentistry in 2008. Dr. Nagai maintains a full-time private dental practice in Tokyo, Japan and visiting lecturer at Tokyo Medical and Dental University Photoperiodontics, Department of Periodontology.
