Dr Shigeyuki Nagai

Webinar #18: Join Zoom Meeting:

<https://us02web.zoom.us/j/81220928784?pwd=VjJJRkV4VC84d082RmZra1hTTG44Zz09>

The attendance for this webinar is free!

If required, a certificate detailing the number of CPD points will be issued after the last webinar in Dec 2022 with a fee of 30 euros for non-WFLD members and 10 euros for WFLD members. To record your attendance, please scan the QR code at the end of each webinar and complete the evaluation form.

Professor Roy George BDS, MDS, PhD (QLD), MRACDS, GCHE (QLD), FDS RSCEd (Endodontist)

Professor Roy George is the Director of the DClinDent and Honours program, the Discipline Lead for Endodontics (UG) at the School of Medicine and Dentistry Griffith University, Gold Coast, Australia. He completed his master's and then went on to complete his PhD in Laser applications in Endodontics. He is a member of the Royal Australasian College of Surgeons (Endo) and a Fellow of the Royal College of Surgeons (Edin). Professor George has research interest in laser applications in dentistry and dental material science. He also has a keen interest in dental education research and uptake of technology. Professor George has successfully mentored several research students (Honours and PhD), has over 20 years of teaching experience in Endodontics and has published over 100 peer review articles. George was awarded an International Patent, for inventing a Novel Fibre optics tip design for applications in dentistry. Professor George is currently active in teaching, research, private practice, service and in his role as the A/Editor of Laser in Medical Science.

Dr. Shigeyuki Nagai received his DDS from the Osaka Dental University, Japan in 1987 and studied at the Harvard School of Dental Medicine as a Clinical Fellow from 1989-1992. He practiced at the Massachusetts Veterans Administration Medical Center and Massachusetts General Hospital in 1991. He received his PhD from Tokyo Medical and Dental University. Dr. Nagai serves as a Board member of the Japanese Society for Laser Dentistry, Asia and Pacific Division of the World Federation for Laser Dentistry and Vice President of the Japanese Academy of Color for Dentistry. He served as the board member of Academy of Laser Dentistry from 2010-2018. He is a committee member of the Japan Academy of Esthetic Dentistry, Japan Society for Laser Surgery and Medicine, and Japan Association of Microscopic Dentistry. He was awarded the Leon Goldman Award for Clinical Excellence in Laser Dentistry from the Academy of Laser Dentistry in 2010, the Excellent Presentation Prize of the Japanese Academy of Color for Dentistry in 2008 and Dr. Glenda Payas Outstanding Educator Award from the Academy of Laser Dentistry in 2022. Dr. Nagai maintains a full-time private dental practice in Tokyo, Japan. Dr. Nagai is visiting lecturer at Tokyo Medical and Dental University Photoperiodontics, Department of Periodontology.
