Meeting ID: 864 1765 4633 ; Passcode: 837958

The attendance for this webinar is free!

If required, a certificate detailing the number of CPD points will be issued after the last webinar in June 2023 with a fee of 30 euros for non-WFLD members and 10 euros for WFLD members. To record your attendance, please scan the QR code at the end of each webinar and complete the evaluation form.

Dr. Leila Gholami earned her DDS dental degree in 2006 from Hamadan University of Medical Sciences and completed her MSc in Periodontics at the same University in 2012. She has been actively involved in teaching and research as an assistant professor and maintained a part-time private practice dedicated to periodontics as a board-certified periodontist in Iran. After completing the fellowship course in Laser dentistry at Aachen University, Germany in 2014, she helped establish well-equipped divisions of dental Laser research labs at Zahedan University of Medical Sciences and Hamadan University of Medical Sciences, Dental Research Centers, focusing on research and application of lasers in the dental field. She is a member of the World Federation of Laser Dentistry and has previously served as the Director of the Dental Laser Research Lab and Director of the post-graduate periodontics program at Hamadan University of Medical Sciences. Currently is a clinical assistant professor and director/coordinator of the undergraduate periodontics program at the University of British Columbia, Department of Oral Biological and Medical Sciences. During her academic career, she has published several peer-reviewed articles and presented at many national and international congresses and enjoyed conducting continuing education courses in periodontics and laser dentistry.

Dr. Shigeyuki Nagai (Japan) received his DDS from the Osaka Dental University, Japan in 1987 and studied at the Harvard School of Dental Medicine as a Clinical Fellow from 1989-1992. He practiced at the Massachusetts Veterans Administration Medical Center and General Hospital in 1991. He received his PhD from Tokyo Medical and Dental University. Dr. Nagai serves as a Board member of the Japanese Society for Laser Dentistry, Asia and Pacific Division of the WFLD (International Society for Lasers in Dentistry), the Japan Society for Dental Anti-Aging and Vice President of the Japanese Academy of Color for Dentistry. He is a committee member of the Japan Academy of Esthetic Dentistry, Japan Society for Laser Surgery and Medicine and Japan Association of Microscopic Dentistry; President and Chief Instructor for the Japanese Chapter of the Academy of Laser Dentistry. He was awarded the Leon Goldman Award for Clinical Excellence in Laser Dentistry from the Academy of Laser Dentistry in 2010 and the Excellent Presentation Prize of the Japanese Academy of Color for Dentistry in 2008. Dr. Nagai maintains a full-time private dental practice in Tokyo, Japan and visiting lecturer at Tokyo Medical and Dental University Photoperiodontics, Department of Periodontology.
